Game Jam: Boxed In

Level Designs: Inspired by Hell Takers

Symbol: Level obstacles:

1. Boxes (moveable obstacles; 1 push ≈ 1 move; you stay in same place)
2. Big rats (enemies; 1 push bounces enemies to next tile, you stay in the same place; if you push an enemy to a wall, you kill them (they fall off the map)
3. Mouse traps (crossing a mouse trap may consume 2 move points)
4. Steel columns and package shelves (unmoveable, can help create level floor variety)
5. Key (used to open locked doors)
6. Cat!! (Character you control)
7. Exit
8. Locked door (requires key)

Extra game features

1. Conveyer belt (used to move across the map)
2. Security guards (roaming around the facility w/ flashlights, you loose if caught)
   - Even decomisioned / abandoned buildings sometimes have guards.

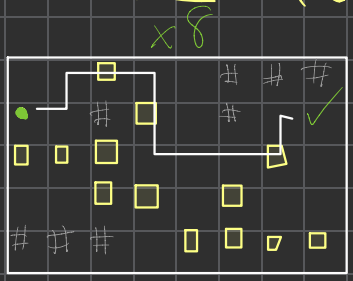

LEVEL GRID ≈ +- 6 x 8

For example, could be:

- 5 x 7
- 5 x 9
- 6 x 5
- etc.

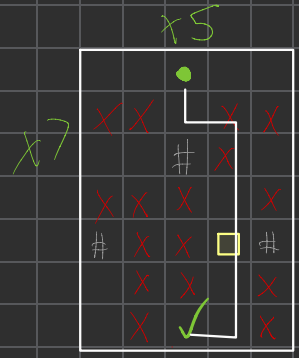

Made with Goodnotes

Level 1: Boxes

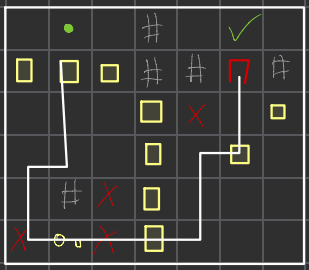

15 moves

Level 2: Traps

16 moves

Level 3: Keys

If a move ends w/ you on a spike, you lose an additional 2 moves, even if you were already stepping the spikes

28 moves
